Forest Views

This space has the added benefit of being indoors without losing the magical views of the Forest beyond as the back drop when the weather decides to become a little unforgiving.

With floor to ceiling vaulted windows, dark slate carpets and neutral tone walls this venue requires little decoration other than chairs for your guests to create a beautiful indoor ceremony with a view.

Holding your ceremony here and then flowing out to Forest Chapel courtyard makes for a special and intimate affair, perfectly suited to a more Cocktail style reception affair.

Forest Chapel

This intimate outdoor venue boasts partial shading, making it perfect for smaller weddings. Its enchanting ambiance is highlighted by a wedding gazebo draped in jasmine, situated beneath the forest canopy.

From here, guests can enjoy views of the 9th green and a nearby lake. The bride can remain hidden until the last moment, tucked away on the Forest Views room's merbau veranda, providing a simple yet elegant approach. Slate flagstaffs with a center aisle offer seating for guests, with additional standing positions available on the wooden decks behind.

Take a stroll around the 9th lawn and beyond for some picturesque photo opportunities before heading indoors for the reception festivities.

The Alfresco Terrace

This stunning venue features a grand flagstone balcony that offers panoramic views of the Enchanted Valley, the immaculate golf course grounds, and a shimmering lake below. Your guests will be treated to a breathtaking backdrop as they witness your union.

Convenient access for the bride is available from Views 101 or the Golfing veranda, ensuring minimal visibility until the perfect moment. To further enhance your preparations, you can also add the Boardroom to your wish list. It's the perfect spot to enjoy a few drinks with your bridal party and calm your nerves before the ceremony.

The Lodge Lawn

A more open and on show space so confidence is key. It is extremely pretty in nature with its mini-Arbor and koi ponds as the back drop. The very nature of this venue means a small affair with combination of seated and standing guests all having wonderful aspects.

The venue is ideal if combining with a reception as your guests won't have yet entered the lodge building which by virtue is an experience in itself.

The Lodge Lawn much like the 18th lawn can bring a more playful approach for the bride with Golf Carts as a great memorable arrival option and very short walk thereafter. Photos are perfect here and of immediate nature meaning the timing can be reduced for you and guests before your wedding reception begins.

The 9th Lawn

Having your wedding at this location is sure to make a lasting impression on your guests. Picture them watching you make a grand entrance, walking down a majestic stone staircase and then gracefully descending on a natural hill towards your future spouse. The stunning backdrop of the Lake and Enchanted Valley is sure to leave your guests in awe, not just of your beauty but also of the magnificent views surrounding you.

The location is a paradise for photographers, with nature presenting itself in every direction, including the occasional kangaroo or two.

Choosing this spot for your ceremony and pairing it with either Views 101 or 102 as your reception venue allows for a seamless transition between the two. The close proximity of the venues creates a fluid movement from ceremony to reception.

The 18th Lawn

This outdoor venue is a spectacular location for tying the knot, especially during the pleasant Spring and Autumn months. The lush green grass underfoot and the shade provided by the native bush canopy make it an ideal spot. What makes this venue truly magical is the breathtaking view of the Enchanted Valley behind you as you exchange vows.

Your guests will have ample seating, and there will still be plenty of space for others to stand and witness your union from an elevated position. This ensures that everyone gets an uninterrupted view of your special moment.

You can even take advantage of the picturesque surroundings to capture some must-have photos with your entire guest list. The lake below and the 9th fairway in the background provide the perfect backdrop for your immediate photo session.
